RESPONSE TO OFFICE ACTION

Sir:

This paper is herewith filed in response to the Patent Office's Office Action mailed on January 30, 2006 for the above-captioned U.S. Patent Application. As such, no petition for an extension of time or fee is believed to be due, as this response is herewith filed within the shortened statutory period. However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no.: 50-0510 for any required fee deficiency. As there is no net gain in claims as 27 claims (claims 25-51) have been canceled and two claims have been added, it is believed that no extra claims fee is due.

Please amend the application as shown below.
